SIBU | DESIGN
we decorate.

Here we could tell you about ...

- our over 35 years of experience that helped us becoming the market leader
- our wide product portfolio with more than 300 storing designs
- our short delivery time and just-in-time projects
- our high standards in quality and processing.

Or as we, as a design sheet manufacturer in green Upper Austria, focus on lastingness using 100% PVC-free material.

However, this is what you assume anyway,
and from our point of view - rightly!

The SIBU designer team gets inspired by fashion, architecture, furniture, automotives and sport, perceives trends and works out concepts for individual demands.

Precise. Innovative. Stylish.

If you also believe in these values, we should become acquainted!
